

YEAR 1	
Number and Place Value	<ul style="list-style-type: none"> • Read and write numbers from 1 to 20 in numerals and words. • Given a number, identify one more and one less • Count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number • Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least • Count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens
Fractions	<ul style="list-style-type: none"> • Recognise, find and name a half as one of two equal parts of an object, shape or quantity • Recognise, find and name a quarter as one of four equal parts of an object, shape or quantity.
Number – Addition and Subtraction	<ul style="list-style-type: none"> • Read, write and interpret mathematical statements involving addition (+), subtraction (–) and equals (=) signs • Represent and use number bonds and related subtraction facts within 20 • Add and subtract one-digit and two-digit numbers to 20, including zero • Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ? - 9$.
Number – Multiplication and Division	<ul style="list-style-type: none"> • Solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher.
Geometry	<ul style="list-style-type: none"> • Shape - Recognise and name common 2-D and 3D shapes. • Position and Direction - Describe position, directions and movements, including half, quarter and three-quarter turns
Statistics	<ul style="list-style-type: none"> • Interpret and construct simple pictograms and block graphs using practical equipment. • Ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity
Measurement	<ul style="list-style-type: none"> • Compare, describe and solve practical problems. • Measure and begin to record. • Recognise and know the value of different denominations of coins and notes. • Sequence events in chronological order. • Recognise and use language relating to dates, including days of the week, weeks, months and years. • Tell the time to the hour and half past the hour.
