

# Nursery Curriculum Overview

## Summer Term 2- We're All Going on a Summer Holiday

### Stories / Books / Songs

Non-Fiction books about various methods of transport

Pirate stories/songs

Holiday/Summer songs

Weather songs

### What type of transport gets us around?

We will be investigating methods of transport for travelling across land, air and sea.

### Where do people go for holidays?

We will be looking at various holiday destinations abroad and locally and discussing what kind of clothes etc you would need to pack for such holidays. We will be thinking about the various accommodation available for holidays including hotels, cottages, caravans, tents etc.

### What activities can we do outside?

We will be thinking about the kinds of games and activities you can engage in the outdoor environment in the summer weather. We will be experimenting with wind, rain and sun and creating devices to measure the weather.

### Where can we go in our local area?

We are going to explore our local area and find places we can go to have fun that are close to home and free of charge. We will be visiting some local areas using our school minibus.

### Why are Dads special?

For Father's Day we will be talking about the special men in our lives and all the things they do to make us happy.

### Preparing for Reception

During this half term we plan to visit Reception regularly to become familiar with the staff and the classrooms. Children are invited to share a school lunch with their parents during this half term and are invited to an Induction Day in Reception.
